³Knowing this, that the trying of your faith worketh patience. ⁴But let patience have her perfect work, that ye may be perfect and entire, wanting nothing.

As a religious person, Saul (Paul) was persecuting Christians for following Jesus. Saul was so sure what he was doing was correct because of the broken world he lived in telling him it was correct.

Paul only changed from his wrong thinking to correct thinking by having an encounter with Jesus that was authentic and by allowing that encounter to change his way of thinking.

This still holds true today for all humans living in this broken world.
